1. Progress at Hilltop

2. Speed Limit Sign

Note that we now have a speed limit sign on N Oak Hills between 12811 and 12821, as requested.

3. Siegen/N. Oak Hills plans, including sign

We have been offered \$1000 toward replacement of the sign. We need to decide what kind of sign we want. Trying to clarify the sign arrangement, but sounds like CSRS would work with us to replace the sign that we had, but if we want a fancier sign, we're on our own to contract for it. As it turns out, the two lots on the north side are privately owned. Tim has contact information and can call if necessary to work out maintenance arrangements, but understand from Mary Fontenot that we also can call 311 to request maintenance. Checking with councilman for assistance with sign

4. Speed hump on Pastureview at Kinghurst

Tim has contacted the Sheriff's substation and had the intersection put on their waiting list that officers will patrol as time permits.

5. Agenda for next General Meeting, June 11 Neighborhood social: June 11 is not available at Hilltop because of the summer camps. Pavillion is available after June 24. Do we want to move location or date? LSU ice cream truck is \$100 + \$1 @ per cup of ice cream (that is about \$200 if we have 100 cups). Alternatively, we can buy 100 cups for \$100. Baskin Robbins also has an ice cream cart.

Adjournment
