Louisiana Mississippi River Trail Feasibility Study Community Meetings

The Pontchartrain Levee District has undertaken a feasibility study to provide the six parishes within their jurisdiction a guide to future levee trail development. Issues such as alignment, access, trailhead location, phasing, and cost are being analyzed. You are invited to attend a community meeting being conducted by SJB Group to get your input on issues you feel are important to levee trail development through your parish.

**Baton Rouge**

Bluebonnet Branch Library, 9200 Bluebonnet Boulevard  
Wednesday, April 14, 2010 from 6:30-8:30 PM

***Please help us spread the word!*** Post the attached flyer, or forward this email to a friend or colleague.

The meeting facility is handicapped accessible. Persons requiring special assistance due to a disability in order to participate in the public meetings should contact the project team at least 5 working days prior to the meeting.

For more information, contact me, Eric M. Poche' at 225-769-3400 [Epoche@SJBGroup.com](mailto:Epoche@SJBGroup.com) or reply to this email.

*I hope to see you there!*

Eric M. Poche'  
Project Manager  
Louisiana Mississippi River Trail Feasibility Study

Sincerely,

**Eric M. Poche', ASLA, CLARB, LEED AP**  
Director of Parks and Planning
