The GOHCA met on Tuesday, December 15, 2015 at the LSU Hilltop Arboretum. The meeting was called to order at 6:30 by President Bo Thornhill. Quorum was present.

1. Bo opened the meeting with introductions. The main agenda item of the meeting was the incorporation of Oak Hills III into the Greater Oak Hills Civic Association through the signing of the Articles of Incorporation.
2. The Board reviewed the Articles of Incorporation.
 - a. Question was raised by Tim if the number of Board Members would change with the addition of Oak Hills III and the decision was that there would be no expansion of the Board at this time, but we could change it through the by-laws if the Board so decides.
 - b. Minor changes were made to the draft as presented, mostly clerical in nature.
3. After review was completed, all board members signed the Articles of Incorporation.

Meeting was adjourned.
