IMPORTANT GENERAL MEMBERSHIP MEETING

**TUESDAY, MARCH 19, 2019
6:30PM AT HILLTOP ARBORETUM**

This very important general membership meeting will include:

- **Voting to amend the GOHCA By-laws of March 2008, to be in agreement with the Articles of Incorporation, which were amended and approved at the October 16, 2018 GOHCA General Meeting and officially filed with the State of Louisiana on October 19, 2018.**
- **To elect officers and board members needed to fill vacant positions on the GOHCA board. A President, Vice-President, and two board members will be elected.**
- **Vote to contribute \$5,000 toward the cost of installing speed humps on N. Oak Hills Parkway.**

Background information:

- Original request was made to address the many complaints concerning speeding and running of stop signs on North Oak Hills Parkway.
 - **Residents of N. Oak Hills Parkway contacted EBR Traffic Control Division.** As required by EBR Traffic Control, for a traffic study to be conducted, the residents were required to obtain signatures from the residents living on N. Oaks Hills Parkway. The organizers obtained signatures from greater than 65% of the residents living on N. Oak Hills Parkway.
 - Based on the results of the study, the City recommended 3 speed humps at a cost of \$15,000. However, the City stated they did not have the money at the current time and suggested the neighborhood pay one-half the cost, or \$7500.00
 - Residents of N. Oak Hills Parkway were very committed to the project and contributed \$2,500 of their own money and requested the Board assist with this health and safety issue for our neighborhood, children, and pets by contributing the remaining \$5,000 of the \$7,500 match.
 - Board is presenting this proposal to the membership for a vote.
- A jambalaya dinner will be catered to everyone attending the meeting.

Only Residents:

- **Who Have Paid Their 2019 GOHCA Dues;**
- **Are Present at The Meeting;**
- **Can Vote at This Meeting.**

If you have not paid your dues, you will be able to pay at the meeting by Check Only.
