HAPPY NEW YEAR & WELCOME TO A NEW DECADE!

The Greater Oak Hills Civic Association annual membership drive is now under way. Your civic association would appreciate your continued support of \$100 annual membership fee to help maintain the beauty, safety, security and camaraderie in our neighborhood, one of the most desirable neighborhoods in South Baton Rouge.

We are very proud to highlight a few of the accomplishments your contribution supported in 2019:

- ❖ Installed a license plate reader & pedestrian camera at the Siegen Lane entrance
- ❖ Continued our support of Friends of the Arboretum, which provides a great venue at no additional cost for our socials and meetings
- ❖ Maintenance and Beautification at all of the entrances
 - ◆ Replaced annuals twice a year
 - ◆ Seasonal Decorations at main entrances
 - ◆ Oak Trees maintained
 - ◆ Selection of Yard of the Month presented in summer months with a small gift
- ❖ Dinner served for the March Membership Meeting
- ❖ Updated directory distributed to all homeowners
- ❖ Security Patrols
- ❖ Two mail-outs to all residents to provide better communication
- ❖ Pizza & Ice Cream Social

Most of your board members also hold a committee position as we represent all 744 homes. We would like you to consider volunteering to serve either on a committee or serve in a board position.

Due to the lack of volunteers we have not had a Welcoming Committee or a Social Committee in several years.

In the past the Welcoming Committee worked with the Block Captains to welcome new residents with a directory and a small gift. The reinstatement of a Social Committee would be highly beneficial in support of additional activities. In the past the Social Committee has also hosted:

- ❖ Santa Pic's for the children to get a free picture with Santa
- ❖ Other previous events included a Wine & Cheese Party and a Women's Tea Party.

Reminder all civic association meetings are held at the Hilltop Arboretum on the 3rd Tuesday of each month. Elections for officers and board members are held at the March Membership Meeting, which will be held this year on Tues. March 17th, 6:30 pm at Hilltop Arboretum.
