FOR IMMEDIATE RELEASE**

Go native at the LSU Hilltop Arboretum's Spring Fling Plant Sale! Sale hours are Saturday, April 9, 9:00am until 4:00 pm and Sunday, April 10 from noon until 4pm. You'll find a selection of native and adapted plants from trees to ornamental grasses and everything in between. Our elite crew of plants-men and women will be on hand to help with your plant selections. Whether you need plants for a bog or plants that are drought tolerant our crew can set you on the right path. If you already know what you are seeking you will want to consult the plant availability list which will be posted on our website (lsu.edu/hilltop) by 5:00pm, Friday April 8.

Specialty plant and garden offerings will be available in the Vendor Village located under our open-air pavilion. In our gift shop you'll find fabulous gardening books and prints at a 25% discount.

Get your cart or wagon ready and head to Hilltop on April 9 & 10 for the best in native and adapted plants. Shoppers should park in the Oak Hills subdivision walk into the arboretum from Pecan Grove Court. Please do not park on Highland Road it is not safe.

LSU Hilltop Arboretum needs your support now more than ever. Our revenue streams were sorely impacted by the coronavirus pandemic. Your donation and/or membership keeps our mission alive. As an incentive, active members at the \$35 and higher level will receive an invitation for exclusive shopping times but your membership must be renewed no later than March 31.

See you April 9 & 10 at the place for native and adapted plants, Hilltop Arboretum!
